April 28, 2026

**Bring Your Household Hazardous Waste
to the Monticello Transfer Station June 14**
Free Dropoff Day for Sullivan County Residents Only

Monticello, NY – Public Works Committee Chair Joe Perrello is pleased to announce that Sullivan County is hosting a residential Household Hazardous Waste Collection Event in June.

Scheduled for Sunday, June 14, from 8 a.m. to 2 p.m., it will be offered at the Monticello Transfer Station at 91 Landfill Drive.

“This is a great time to clean out your household chemicals,” said Perrello. “These items can be dangerous to people and the environment if stored a long time or just thrown out with the rest of the trash.”

The program is open to individuals with residences in Sullivan County ONLY – photo ID or other proof of residency will be required. There is no charge, and pre-registration is not required.

This event is intended to collect and properly manage residentially-generated hazardous household materials like herbicides, pesticides, mercury-containing items, cleaning products, pool chemicals, smoke detectors, fire extinguishers, fluorescent bulbs, paints, solvents, acids, bases, automotive batteries, antifreeze and preservatives, just to name a few. Please note that tires, refrigerators, electronics, ammunition, radioactive material and medical waste will not be accepted at this event.

A second collection event will be held on September 20 at the same time and location. For any questions, contact Recycling Coordinator Kassie Thelman at 845-807-0291 or recycling@sullivanny.gov.
